

Founders of TWO TWENTYFIVE

Randall and Susan Jenkins began their marriage adventure June 6, 1987 in Ridgeland, MS. Both grew up in the same town and mostly the same church. They have enjoyed serving churches in Mississippi, Louisiana, Georgia, and Florida since 1990.

Thirty plus years serve as the backdrop to what is now TwoTwentyfive. God impressed Randall and Susan to establish a partnering ministry to assist men and women: nurturing marriages into something that leaves a strong foundation for future generations. A marriage dependent upon the Lord is a marriage built on love. The love that compels a man and woman to marry is the same love that will sustain them through every season of life: it is the same love that allows each one to endure the valleys. God's grace and watch care has allowed Randall and Susan to weather many of those seasons. And God is faithful to do so for those who commit their marriage to Him.

TwoTwentyfive believes God wants men and women to thrive in marriage. You are invited to join the family. With their son Forrest (wife, Audra) and daughter Elise (husband, Tommy) grown and happily married, the adventure continues.

Randall is a graduate of Hinds Junior College, The University of Southern Mississippi (1987), and The New Orleans Baptist Theological Seminary (MRE, 1990, DEdMin 2023).

Randall and Susan are members of First Baptist Church of Crestview. He served on staff for 16 years prior to TwoTwentyfive. We believe the potential to change the world through healthy and godly marriages begins with yours and those you influence. You are invited to join us on this incredible journey of encouragement and challenge called TWO TWENTYFIVE.

TWO TWENTYFIVE
GENESIS 2:25

ENCOURAGEMENT
FOR MEN AND WOMEN

Both the man and his wife
were naked,
yet felt no shame.
Genesis 2:25

Every marriage experiences its share of mountaintops and valleys, detours and freeways, smooth sailing, and squalls. Marriage is not for the faint of heart. Love motivates and strengthens believers to press through those difficult times while allowing rejoicing evermore so during seasons of fair weather and joy.

TWO TWENTYFIVE ministers to men, women, families, and groups with biblical encouragement while sharing practical strategies for growth in healthy marriages that are set on the firm foundation of God's word.

OUR GOAL:

Bring encouragement to men and women by challenging husbands and wives to love and cherish one another through all circumstances and provide a refreshing biblical spark for each husband and wife to enjoy their journey of marriage for future generations.

TwoTwentyfive is a nonprofit ministry located in Crestview, Florida committed to encourage men and women to love and cherish one another through all circumstances and grow lasting marriages. TwoTwentyfive is supported by contributions that are tax deductible and governed by a Board of Directors.

The TwoTwentyfive
Prayer Challenge

With all of your **heart, soul, mind, and strength...** This is how we are to love the Lord. And it's the best way to love one another ...especially as husband and wife.

Marriages and families are under attack and seldom esteemed as honorable and a permanent institution for the formation of faith, morals, and character.

TWOTWENTYFIVE is an ally for churches, marriages, and families who choose to stand strong through the battle. Contact Randall to discuss ministry partnership events or speaking.

Conferences or speaking events are sufficiently funded through a love offering and mileage reimbursement. If you have questions, please call or email.

conference that encourages and challenges couples to pursue excellence in their marriage, and build a legacy of love, faith, and trust for future generations. A marriage submitting to God's best can endure and thrive through every season of marriage.

The Genesis 2 Man highlights the role and task God gave man at the beginning. The life principles expressed in the Garden apply to the modern era: observing, keeping, and doing the work of God faithfully. God's word will always speak to our circumstances.

Family Life Discipleship encourages parents and families through a practical biblical teaching. Sessions cover roles for family members, active life-training, family organization plan, training for church and community service, community involvement, creating a family network, and rules and boundaries. Principles are supported by biblical commands and principles.
