ENCOURAGEMENT FOR MEN, WOMEN,
and MARRIAGE

Welcome to the ministry of TwoTwentyfive

The goal of TwoTwentyfive is to encourage men and women by challenging husbands and wives to love and cherish one another through all circumstances and provide a refreshing biblical spark for each husband and wife to enjoy their journey of marriage for future generations.

TWO TWENTYFIVE ministers to men, women, and families through biblical encouragement and sharing practical strategies for growth in healthy marriages that are set on the firm foundation of God's word.

Three options to bring encouragement to men, couples, and families.

Pursuing Your 2:25 encourages and challenges couples to pursue excellence in their marriage, building a legacy of love, faith, and trust for future generations. A marriage submitting to God's best can endure and thrive through every season of marriage.

The Genesis 2 Man

The Genesis 2 Man highlights the role and task God gave man at the beginning. The life principles expressed in the Garden apply to the modern era: observing, keeping, and doing the work of God faithfully. God's word will always speak to our circumstances.

Family Life Discipleship encourages parents and families through a practical biblical teaching. Sessions cover roles for family members, active life-training, family organization plan, training for church and community service, community involvement, creating a family network, and rules and boundaries. Principles are supported by biblical commands and principles.

TWO TWENTYFIVE PARTNERSHIP

TwoTwentyfive is a partnering ministry for every local church, nurturing marriages into those that leave a strong foundation for future generations. A marriage dependent upon the Lord is a marriage that will sustain couples through every season of life. God's grace and watch care has allowed the founders of TwoTwentyfive to weather many of those seasons. We believe God will be faithful to do so for those who commit their marriage to Him.

TwoTwentyfive believes God wants men and women to thrive in marriage. You are invited to join the TwoTwentyfive family as we journey forward together. The adventure continues.

Randall and Susan Jenkins began their marriage adventure June 6, 1987. They have served churches in Mississippi, Louisiana, Georgia, and Florida. Randall is a graduate of Hinds Junior College ('84), The University of Southern Mississippi ('86), and The New Orleans Baptist Theological Seminary (MRE, 1990, DEdMin, 2023).

THE TWOTWENTYFIVE PRAYER CHALLENGE

The Challenge? Praying each day at 2:25 for your marriage. It doesn't take long to invest in your marriage... and your marriage is worth it! Set an alarm on your watch, cellphone, or smart calendar to remind you to pray each day... at 2:25.
